

Predefined Rules for Claims Processing

Rule 1: The claim document must include the claimant's full name.

Rule 2: The document should specify the date of the incident or event leading to the claim.

Rule 3: A valid policy number must be included in the document.

Rule 4: The claim amount should be clearly mentioned and itemized, if applicable.

Rule 5: Supporting evidence or attachments must be listed in the document.

Rule 6: The document must be signed by the claimant.
